**Coasters** are found virtually everywhere from from home to office and their popularity makes them ideal promotional items. Coasters will keep your tables and desks free from water glass or cup ring stains, along with avoiding spills. Our coasters can be made in a vast variety of shapes, sizes and colors, whether in PVC or Starflex materials.

**PVC Bar Pads** offer a very large lasting high quality image. On a more practical side, they help prevent minor spills. Another big hit from your PVC products category!

**PVC Mugs** take your logo to another dimension. Designed from your customized artwork, the logo will perfectly fit on the plastic mug. The PVC can be safely used in the dishwasher but it is not suitable for the microwave.

**Openers** are functional promotional products that can be taken anywhere by adding a 2 in 1 key ring! Colorful in PVC, hip and affordable in aluminum and perfect for photo replicates with offset printing on metal: your choice will just be a question of taste!

**Cool ups** are the only wearable ring bottle openers. Easy to use and comfortable, these openers are fully customizable with your choice of PMS color in PVC, and come in 4 different plate options for the metal version.

**Wine openers** are simple and elegant. These openers are the most portable and adaptable corkscrews. From plastic to rosewood, everyone will enjoy opening a wine bottle while advertising your message!

**Can and Bottle neoprene holder** are light weight, smooth to the touch and will keep your drink hot or cold longer, while providing protection against shocks. Promotion brand awareness in a true style, these holders will fit all standard bottle and can sizes!

**ID glasses** come in assortment of colors and will help you to easily spot your glass in any social gathering. These unique little products are sure to draw a lot of attention to your logo in a festive surrounding.
