

OUTDOOR & TRAVELING

Plastic fans provide a great advertising value. They are useful and low cost, ideal for picnics, rallies, parades, beach parties or ball games. Their large imprint area provides the perfect canvas for art works.

Bambams are perfect noisemakers for sporting events, parades and other festivities. Made of two inflatable sticks that are clapped together the perfect exposure for your logo.

PVC Luggage tags are colorful and very practical promotional product. They help you distinguish your luggage, prevent loss...and simply make baggage claim a lot easier.

Eye shade is almost a must if you expect to get any sleep during a long trip. Available in both satin or flax materials, they will create peace and calm in any lighting situation.

Inflatable pillow is the perfect complement to the eye shade. Soft and adjustable to your neck, it will keep you comfortable during your deserved rest.

Bag straps are very useful for overstuffed suitcases. The closure with adjustable clips can keep you comfortable all together when especially there is training is straining to the seams. A useful and lasting promotion gift that any traveler will appreciate receiving.

Starflex torches are customizable in unlimited shapes and colors that allow your imagination run free. Instead of the standard shapes and bulky weight that ordinary flashlights represent, our Starflex torch is so thin that it can easily be carried in your pocket without anyone noticing it.

Shoelaces are perfect to build up team spirit. They offer a unique and casual approach to corporate branding. Seat belt cushion, made of soft polyester filling and a suede-like fabric, can be fitted easily to the seat belt with a Velcro fastening. Get your set of two cushions to enhance the appearance of car's interior and prevent seat belt wrinkles on your shirt!
