

HEADWEAR BELT & UMBRELLA

Caps were originally created for protection against rough weather and now are also used as a great fashion statement. Discover a whole new selection of caps with over 30 standard designs and dozens of different color options. If you can imagine it we can build it! We offer unlimited combinations of material and logo techniques such as 3D embroidery, woven sandwich. All our caps are also available for customization. Build your own cap and wear your logo.

EVA caps display your custom shaped logo in color and style. They are light and flat, easy to carry anywhere and ideal for shrink wrapping with mailers and magazines. This ideal and inexpensive product is sure to be a big hit at sporting events, company picnics and team building sessions.

Belts, Adorned with customized buckles make brand awareness very cool and unique. Available in woven, sublimated or with printing, they are great tools for your customized logos. An assortment of customized buckles (Laser, Relief, color filled and PVC Label) are available as an additional option.

Our Umbrella collection brings you a wide selection of colors, shapes and handles. Use umbrellas as a promotional tool. They are walking billboards that make a grateful fan out of anyone caught in the rain.
